Wisconsin Lions Camp

Educator Role

Thank you for considering the Wisconsin Lions Camp as an experience for your students. We're proud to be able to serve youth and adults with disabilities free of charge. We need your help to reach all possible campers who would benefit from a session at Camp. We ask our educators to do the following:

1. Consider your students - if they meet general eligibility guidelines listed below and the specific guidelines listed on our website, please send one of the enclosed postcards home to their families.
2. If a student applies to Camp, they will need an educator to verify the disability for us. Please ensure families have your correct email for an online application. The verification is via email and takes less than five minutes. Families sign off on the application to allow you to share this information with our Camp Director.
3. Contact our office for more postcards, questions about our Camp program, or other information needed.
4. We offer transportation assistance and can schedule 1:1 calls with families who may want more information about Camp.
